The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

PREFACE

Greenville, North Carolina

"OUR GREENVILLE—YOURS IF YOU COME"

(Directory Population Territory Covered, 17,550)

HISTORY: Martinsborough was established in 1774 as the County Seat of the area then known as Pitt County. In 1786 its name was changed to Greenville in honor of General Nathaniel Greene, the hero of the Battle of Guilford Courthouse. Greenville is now the educational, and one of the most important commercial centers of the coastal plain section of North Carolina.

PITT COUNTY, with 1950 population of 63,770, of which Greenville is the County Seat, was formed in 1760, and named in honor of William Pitt, the Earl of Chatham. Tobacco, as with many of the counties of Eastern North Carolina, and Virginia, was and is now the major cash crop. From the days when tobacco was packed by hand in hogsheads, through which an axle had been placed, and then rolled to boat landings for transfer to markets on the coasts, Pitt County has attained the distinction of being the largest producer of bright leaf, flue-cured tobacco in the nation. Instead of shipping the crop to other cities to market, Greenville now has more than two and one-half million square feet of floor space devoted to the sale and processing of tobacco.

GREENVILLE, the County Seat of Pitt County, is located in the Coastal Section of North Carolina, 84 miles East of Raleigh, the State Capital; 137 miles Southwest of Norfolk, Virginia; 159 miles South of Richmond, Virginia; and 267 miles South of Washington, D. C.

POPULATION: Accoding to U. S. Census, the City's population in 1950 was 16,713—98.4% American, while in 1940 it was 12,674. The increase in the ten year period amounts to 31.8 per cent. The present City Directory population is 17,550.

POST OFFICE RECEIPTS in 1930 totalled $39,000.00; in 1940, $62,529.92; and in 1949, $146,230.51.

THE GOVERNMENT is vested in a Mayor and nine Aldermen who are progressively administering the affairs of the City to provide the necessary facilities required for its rapid growth.

CLIMATE: Mild, equitable, and free from severe storms. The average annual mean railfall is 45 inches, and the average mean annual temperature is 62 degrees. Growing season is 207 days.

ALTITUDE ranges between 64 and 75 feet above sea-level with the topography rolling and well drained.

STREETS: Approximately 32 miles paved.

EDUCATIONAL FACILITIES in Greenville are unexcelled in the Coast Plain section of North Carolina. The City's public school system, accredited since 1917, has seven schools, three of which are for Negroes, all operating for a full nine months' term with the High Schools providing twelve grades. In addition to regular subjects taught, the City School System has recently added a Technical High School offering varied courses for which the best of equipment is provided.

COLLEGE: Greenville is the home of East Carolina Teachers College, a state institution, with a 1950 enrollment of over 2,000 students. This college offers courses in teacher training and liberal arts, leading to a Masters Degree for both young men and young women. To meet college educational needs of this growing institution, it now has underway an expansion program totalling more than two million dollars.

LIBRARY facilities include the $100,000.00 Sheppard Memorial Municipal Library containing approximately 15,000 volumes, the East Carolina Teachers College Library with 48,000 volumes, and the Greenville High School Library. A library is also maintained for the colored population.

CHURCHES: Both the white and colored population are amply provided with places of worship, with practically every major denomination represented.

UTILITIES: Approximately two million dollars has been spent in expanding the City's utilities and electric plant, increasing the electric plant to 15,000 KW capacity. The utilities, including electric power, water, and gas plants, are municipally owned and are operated by the Greenville Utilities Commission. Their efficient operation, in addition to providing low rates for these services, materially assists in giving the City low tax rates.

TRANSPORTATION: Greenville has facilities for all modes of transportation, including Rail, Highway, Water, and Air. Railroad lines are the Atlantic Coast Line Railroad and the Norfolk Southern Railway.

Hard surfaced Highways N. C. Numbers 11, 30, 43, and 903, and U. S. Highway 264 radiate in eight directions from the City, providing dependable avenues for motor transportation, which includes several motor freight lines and three motor bus passenger lines.

The Tar River Port Commission, a public service agency appointed by the City and County, owns a modern water transportation terminal, making Greenville the farthest inland port in North Carolina having a channel twelve feet deep, permitting the use of the largest type of inland water freighters.

AIRPORT: The Pitt-Greenville (C. A. A. Class 4) Airport embracing an area of over 700 acres, with three paved runways each five thousand feet in length and one hundred fifty feet wide, with paved taxiways and parking aprons, and representing an outlay of one and one-half million

(Continued on Page 10)

(Continued from Page 9)

dollars, is one of the best municipally owned airports in the southeast. It is served by City electric power and water, and sewerage system and is within three minutes riding time from the business district. It is now operated by Greenville Aviation, Inc., for civilian service.

HOTELS, include the Proctor Hotel with 77 rooms and the Greenville Hotel with 40 rooms. Several large guest houses supplement hotel facilities.

HOSPITAL facilities are provided by the new modern $1,400,000.00 Pitt Memorial Hospital. This hospital has 120 patient beds and is modernly equipped in every respect. To complete the hospital plant, a new 52 bed nurse's home is located on the 17½ acre hospital site.

COMMUNICATION facilities include Western Union Telegraph and Carolina Telephone and Telegraph Company's modern dial system with 4,016 stations in the City.

There are nine incoming and eight outgoing mails daily.

NEWSPAPERS: The Daily Reflector, published every afternoon except Sunday, provides excellent coverage of the immediate area.

RADIO STATION WGTC with 5000 watts power daytime and 1000 watts at night is the City's locally owned Mutual and Tobacco Networks affiliate. WGTC is one of the most modern radio plants in this area.

BANKING facilities are provided by two strong institutions, one operating branches in Greenville and other Eastern Carolina cities. Combined deposits on January 1, 1950, totaled $36,651,230.45, with combined resources of $38,972,838.86. There are two strong building and loan associations.

MARKETS: As an agricultural marketing center, Greenville is outstanding, being located in the center of a highly productive area, embracing a population within a 50 mile radius of 560,000.

The Greenville Tobacco Market is one of the largest bright leaf auction markets in the nation, and is one of the two that have five sets of buyers. Its seventeen mammoth auction warehouses, together with its processing plants, embrace an area of over two and one-half million square feet of floor space devoted to the handling of Bright Leaf flue-cured tobacco.

Markets are provided for all farm corps produced in the area, including cotton, potatoes, sweet potatoes, corn, livestock, poultry, and eggs. Greenville is the home of one of Eastern Carolina's largest firms buying cattle and hogs.

As a retail trading center, Greenville rightly deserves its designation, "Eastern Carolina's Shopping Center." Its 1949 retail volume was over 20 million dollars.

In wholesale distribution, Greenville with a volume of over 91 million dollars in 1949 ranks seventh in the State. (Copyright Sales Man-

agement Survey of Buying Power; further reproduction not licensed.) Greenville is a distribution center for Eastern Carolina.

INDUSTRIES include eight tobacco processing plants; woolen plant; three lumber plants; three fertilizer plants; a brick plant; five soft drink plants; a milk pasteurizing and ice cream plant; four laundries with dry cleaning departments; seven plants doing dry cleaning exclusively; chick hatchery; three florists; two bakeries; marble works; four commercial printing plants; daily newspaper plant; two sheet metal works; three machine works; full fashioned hosiery mill; a meat packing plant and abattoir; two livestock feed mills; a steel fabricating plant; motor rewinding shop; and a battery plant.

TAXES in Greenville and Pitt County are among the lowest in the State, due to good business management of the officials. The city tax rate for 1950 is $1.50 per $100.00 assessed valuation. The total assessed valuation in Greenville is $17,745,428.00.

The county tax rate rate is 90 cents per $100.00 assessed valuation and the total assessed valuation is $50,000,000.00. Property in the city and county is listed for taxation at approximately 50 per cent of its value.

RECREATION and amusements include League Baseball, Softball, High School and College Football, Baseball and Basketball. Municipal recreational facilities include a lighted recreation center with Stadium, Cinder Track, Concrete Skating Pavilion, and Tennis Courts and an outdoor swimming pool. College athletic events are played on the institution's new lighted stadium. The Greenville Golf and Country Club with its sporty 9 hole course provides additional recreational facilities for the citizens of the city and area. There are three modern motion picture theatres for whites and two for colored.

ORGANIZATIONS maintained include a strong Chamber of Commerce with full time personnel rendering all services available in larger cities; an active Merchants Association operating a Credit Bureau; a Junior Chamber of Commerce, Exchange Club; Kiwanis Club; Rotary Club owning its own building; Lions Club; Woman's Club; Junior Woman's Club; Business and Professional Women's Club; Country Club; Service League Altrusa Club; Community Chest; Red Cross Chapter; American Legion Post and Auxiliary; Veterans of Foreign Wars and Auxiliary; Pitt County Executives Club; and active chapters of practically all important fraternal organizations.

GREENVILLE welcomes new businesses and new industries as well as new citizens who desire to make their home in a community where every facility is available for a full and well-rounded life.

Section 28, Copyright Law

In Force July 7, 1909

That any person who wilfully and for profit shall infringe any copyright secured by this act, or who shall knowingly or wilfully aid or abet such infringement, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by imprisonment for not exceeding 1 year, or by a fine of not less than one hundred dollars nor more than one thousand dollars, or both, in the discretion of the court.

WHEN YOU WANT TO KNOW:

—where a person lives.

—what his occupation is.

—who lives at a certain number on a street.

—where a street is located.

—the correct spelling of a name.

—the officers of a corporation.

—the partners in a firm.

—the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.

—you can quickly find the answer in the City Directory.

Southern Directory Co. **Asheville, N. C.**

This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

THE CITY DIRECTORY

places the city on the map and is its only representative to the world beyond our own gates.

It is the city's catalogue of business and represents the city, its citizens and institutions in every corner of these United States.

It is the logical means of publicity in advertising the city, its manufacturing industries, its advantages and resources.

The men who direct the affairs of progressive and up-to-date business institutions recognize the fact that the City Directory tells the story of the city's life and keeps it before the public as no other publication can or does.

Its Classified Business Section furnishes a list of all trades, professions and pursuits, constituting a special trade directory or buyers' guide and is the best advertising medium on earth.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE AND DENOTING BUSINESS PLACES

VOL. X 1951-1952 VOL. X

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(●)—Before name denotes home-owner.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.

Names Appearing in Black Letters

IN THIS DIRECTORY are the names of those people who accomplish things and are entitled to favorable consideration, if for no other reason than their public spirited support of measures which make for progress. They represent the energy and push so essential to the commercial prosperity of the City, and in dealing with them no mistake will be made. The publishers are honored in thus making them better known to the public.
